OESCA Spring Conference: Let's Connect

May 6-8, 2024

Nationwide Hotel and Conference Center
Columbus, Ohio

This year, the Ohio ESC Association's (OESCA) annual Spring Conference and Let's Connect conference are combined into one event. Hosted by OESCA and its Regional Coordinators, the conference will provide attendees with professional learning, job-alike networking, and updates on statewide initiatives. It is a great way to get in touch with service providers who are working directly with districts as well as ESC superintendents and executive leadership.

Sponsorships:

All sponsors are promoted through inclusion in the printed program (logo, business name, description, and contact info) and sponsor recognition on OESCA's website and social media sites in addition to the promotions listed below.
